For connoisseurs of all-that-is-adrenaline, Selvatica presents the quintessential challenge. Take a heart-pounding flight from tree-top to tree-top on Mexico's favorite zipline. Challenge your agility on the aerial bridges high above the jungle floor. Test your mettle with the giant rope swing (watch that last step – it's a DOOZY!). Up and down, and turning all around – the Tarzania Coaster is sure to inflict spontaneous giggles. It's a bird, it's a plane... IT'S SUPERMAN! Head-first flight with a bird's-eye-view – guttural screams are highly encouraged. Feet finally planted back on solid ground means it's time to get dirty – 800cc of raw 4x4 power waiting to tear up the jungle circuit. The grand finale is the refreshing and entertaining swim in the enchanted waters of your very own cenote. The adventure challenge finishes back at the Visitor Welcome Center with a snack and soda (or bottled water).
